WARRANT FOR ANNUAL TOWN MEETING

COMMONWEALTH OF MASSACHUSETTS

MIDDLESEX, SS.

To any of the Constables of the Town of Wayland, in said County:

GREETINGS:

In the name of the Commonwealth you are required to notify and warn the inhabitants of said Town qualified to vote in town elections to meet at their respective polling places on

MONDAY, MARCH 7, 1932

at six o'clock in the forenoon, there and then to bring in their ballots for a Moderator, Town Clerk, three Selectmen, a Treasurer, a Collector of Taxes, a Surveyor of Highways, A Tree Warden, and seven Constables, all for one year.

One Member of the School Committee, one Cemetery Commissioner, one Commissioner of Trust Funds, two Trustees of Public Library, one Member of the Board of Public Welfare, one Assessor, one Member of the Board of Health, one Water Commissioner, one Park Commissioner, and two Members of the Planning Board, all for three years.

All the foregoing to be voted on the official ballot. The polls will be open at 6.15 in the forenoon and will remain open continuously until four o'clock in the afternoon, when they shall be closed.

And you are required to notify and warn the inhabitants of said town qualified to vote in town affairs to meet at the Town Hall on

WEDNESDAY, MARCH 9, 1932

at 7.45 P. M., then and there to act on the following articles, viz:

Article 1. To hear the reports of Town Officers, Agents and Committees, and act thereon.

Article 2. To choose all necessary Town Officers, Agents and Committees not elected by the official ballot.

Article 3. To grant money for necessary Town purposes.
See Finance Committee Report.

Article 4. To see if the Town will authorize the Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1932, and to issue a note or notes therefor, payable within one year, and to renew such note or notes as may be given for a period of less than one year in accordance with Section 17, Chapter 44, General Laws, any debt or debts incurred under this Article to be paid from the revenue of the financial year beginning January 1, 1932.

The Finance Committee recommends action as required by the Treasurer.

Article 5. To see if the Town will appropriate and assess the sum of \$1801.34 to pay the following 1930 and 1931 bills which were presented for payment after the Town books were closed.

1930	
Welfare Department	
Robinson & Jones	\$10.53

• bills be paid.

Article 6. To see if the Town will accept the following gift: \$1,000.00 received from Charles W. Dean to establish the "Charles W. Dean Fund", income from which to be used for perpetual care of Mausoleum and Lot No. 38, Section E, Lake View Cemetery.

Article 7. To see if the Town will accept the following bequest: \$50.00 received from F. Lawrence Bulfinch, Executor under will of Helen M. Carter, widow of Andrew O. Carter, to establish the "Helen M. Carter Fund", income from which to be used for perpetual care of Lot No. 10, Section E, Lake View Cemetery.

Article 8. To see if the Town will accept the following gift: \$100.00 received from Charles W. Dean to establish the "H. W. Dean Fund", income from which to be used for the perpetual care of Lot No. 29, Section B, Lake View Cemetery.

Article 9. To see if the Town will accept the following gift: \$100.00 received from Mrs. Kathryn I. Jones and Henry M. Kelley to establish the "Jones-Kelley Fund", income from which to be used for the perpetual care of Lots Nos. 98 and 99, Section C, Lake View Cemetery.

Article 10. To see if the Town will accept the following bequest: \$125.00 received from Mrs. Nellie T. Rogers, left under the will of Herbert P. Cochane, to establish the "Herbert P. Cochrane Fund", income from which to be used for the perpetual care of Lot No. 11, Section B, Lake View Cemetery.

The Finance Committee recommends acceptance of the above five articles.

Article 11. To see if the Town will accept the following bequest: \$100.00 received from the Harvard Trust Company left under the will of Isaac C. Damon to establish the "Isaac C. Damon Fund", income from which to be used for perpetual care of the family lot in the North Cemetery.

The Finance Committee recommends acceptance of the above article.

Article 12. To see if the Town will accept the following gift: \$100.00 received from Nellie Rice Fiske to establish the "Nellie Rice Fiske Fund", income from which to be used for the perpetual care of the Nellie Rice Fiske lot in Lake View Cemetery.

The Finance Committee recommends the approval of this article.

Article 13. To see if the Town will accept the following bequest: \$1,000.00 received from the Harvard Trust Company left under the will of Isaac C. Damon "to the Town of Wayland in trust to hold the principal safely invested and the income to be expended from year to year for the purchase of books other than novels, for the Public Library of said Town" fund to be known as the "Isaac C. Damon Library Fund."

Article 14. To see if the Town will appropriate \$225.00 for general improvement in any of the Cemeteries, same to be taken from money in the Town Treasury received from the sale of Burial Lots in 1931, in accordance with Chapter 114, Section 15 of the General Laws, or do or act.

The Finance Committee recommends approval of the above two articles.

Article 15. To see if the Town will appropriate for "Water Department Maintenance" the sum of \$6,661.60 to be taken from Water Department receipts reserved for appropriation in 1931, or do or act.

The Finance Committee recommends approval of this article.

Article 16. To see if the Town will appropriate for payment of Water Department Extension Notes maturing in 1932 the sum of \$1,500.00 to be taken from Water Department receipts reserved for appropriation in 1931, or do or act.

Article 17. To see if the Town will appropriate for payment of interest due in 1932 on Water Department Extension Notes the sum of \$2,421.72, same to be taken from Water Department receipts reserved for appropriation in 1931, or do or act.

The Finance Committee recommends approval of the above two articles.

Article 18. To see if the Town will appropriate and assess the sum of \$327.00 to provide for overdraft created by penalty for failure to make returns as provided in Section 35, Chapter 117, General Laws.

The Finance Committee recommends approval of this article.

Article 19. To see if the Town will vote to reduce the salaries of all Town Officers which have been increased since the Annual Meeting of 1920, ten per cent, or do or act.

The Finance Committee recommends a decrease in all salaries of Town Officers as estimated in the Budget, for this year only.

Article 20. To see if the Town will vote to establish a new scale of wages for Town Laborers, or do or otherwise act thereon.

The Finance Committee recommends that the salaries of Town Laborers shall not exceed \$4.00 for 8 hours' labor.

Article 21. To see if the Town will vote to appropriate and assess a sum of money for the relocation and reconstruction of Cochituate Road from Legion Square north, according to plans to be recommended by the County Engineers, or do or act.

The Finance Committee recommends this article and that \$6,000.00 be appropriated and assessed, providing the like amount is contributed by both the State and County and that only citizens of the Town of Wayland, under supervision of the State Engineers, be employed on such work as may require hand labor.

Article 22. To see what action the Town will take with regard to the use of Chapter 80 of the General Laws and

amendments thereto, authorizing the assessment of betterments in connection with the acceptance of streets, the construction of sidewalks and other public improvements.

The Finance Committee recommends approval of this article.

Article 23. To see if the Town will vote to appropriate and assess a sum of money to be used to extend the sidewalk on West Plain Street on the southerly side, to the junction of Old Connecticut Path, or do or act.

The Finance Committee approves of this article, but due to the Town's financial condition, recommends that the article be deferred until some future time.

Article 24. To see if the Town will vote to accept as a public way, the private way on the northerly side of West Plain Street, Cochituate, and running from West Plain Street to Lake Shore Drive, known as Castlegate Road, South, or do or act.

The Finance Committee recommends that this article be deferred, as of Article 23.

Article 25. To see if the Town will vote to accept as a public way, the private way known as "Mansion Road," or do or act.

The Finance Committee recommends that this article be deferred, as of Article 24.

Article 26. To see if the Town will vote to accept as a public way the private way known as Hawthorne Road, and to appropriate and assess a sum of money for repairs on Hawthorne Road, or do or act.

The Finance Committee recommends that this article be deferred, as of Article 25.

Article 27. To see if the Town will vote to extend a six-inch water main with fire hydrants, gates and fittings along the following roads: From the Wayland Golf Club along Old Sudbury Road to River Road, through River Road to the residence of James Solemine and also from the junction of River Road and Water Row, along Water Row to the residence of Frederick Gilly, and raise and appropriate money therefor, or do or act.

The Finance Committee does not recommend action on this article at this time on account of

present conditions and the urgent need of economy.

Article 28. To see if the Town will vote to appropriate and assess the sum of \$300.00 to be spent by the Board of Water Commissioners for providing at Baldwin's Pond, bath houses, two toilets and sewage disposal system for same, as recommended by the State Department of Public Health.

The Finance Committee does not recommend this article.

Article 29. To see if the Town will vote to raise and appropriate a sum of money to meet the Town's share of the cost of constructing a hospital for the Middlesex County Tuberculosis District, determine how the money shall be raised, or act anything in relation thereto.

The Finance Committee recommends that the sum of \$1,789.60 be assessed and appropriated in the current year, and that \$10,000.00 be borrowed for a period of ten years.

Article 30. To see if the Town will appropriate and assess a sum of money to be spent by the Committee for the observance of the two hundredth anniversary of the birth of George Washington to purchase a suitable marker to mark the site of the George Washington Highway.

The Finance Committee recommends approval of this article, and that the sum of \$150.00 be appropriated.

Article 31. To see if the Town will vote to relocate and reconstruct Millbrook Road or any portion thereof; rebuild the bridge over the brook, or make other improvements; acquire any necessary land by purchase or otherwise, and make an appropriation therefor, or do or act.

The Finance Committee recommends that only the bridge be rebuilt, and that the sum of \$500.00 be appropriated and assessed for same.

Article 32. To see what action the Town will take on the matter of better facilities for housing of school children.

The Finance Committee recommends that a committee be appointed to investigate this problem.

Article 33. To see if the Town will vote to appropriate and assess the sum of \$3,000.00 for the purpose of installing manhole, painting the interior and exterior, also an aerial sign marked "Wayland" on the top of standpipe, or do or act.

The Finance Committee recommends approval of this article and that not over \$3,000.00 be appropriated and assessed, and that the Water Commission and Selectmen be selected to let this contract.

Article 34. To see if the Town will elect a director to serve in co-operation with the Middlesex County Trustees for County Aid to Agriculture in the work of the Middlesex County Extension Service, under the provisions of Section 40 to 45, Chapter 128, General Laws of Massachusetts.

Article 35. To see what the Town will take with regard to the adoption of a zoning ordinance in accordance with the provisions of Chapter 40 of the General Laws and amendments thereto, appoint a committee to study the matter, or do or act.

The Finance Committee recommends that a committee be appointed to investigate this matter.

Article 36. To see if the Town will take action relative to the revision of Article 6 of the By-Laws of the Town.

The Finance Committee recommends approval of this article.

Article 37. To see what sum, if any, the Town will vote to transfer from available funds to meet any of the appropriations made under the foregoing article.

The Finance Committee recommends such action as may be suggested by the Town Treasurer.

And you are required to serve this Warrant by posting copies thereof, attested by you, at the Town Hall, at each Post Office in Town, and in the Engine House at Cochituate, seven days, at least, before the time of holding said election.

Hereof, fail not and make due return of this Warrant with your doings thereon to the Town Clerk on or before March 7, 1932.

Given under our hands and seal this twenty-ninth day of January in the year of our Lord, one thousand nine hundred and thirty-two.

J. FRED WHEELER,
JOHN W. LEAVITT,
WILLARD C. HUNTING,
Selectmen of the Town of Wayland.

A true copy, attest :

Constable of the Town of Wayland.

REPORT OF FINANCE COMMITTEE

Your Committee respectfully calls your attention to the fact that the total of this year's budget is \$141,035.20, a decrease of \$7,424.94 from last year's recommendations.

The difference in these amounts will cause a slight variation in the tax rate; and the amount of uncollected taxes as of January 1, 1932 was \$93,724.79 and of Water Bills was \$5,242.34.

Your Committee respectfully submits the following report.

	Appro. 1931	Expend. 1931	Fin. Com. Recom'ds

From Reserve Fund	900.00		
Maturing Debt	9,250.00	9,250.00	7,277.90

Maturing Debt 1932—Total \$7,277.90

Cochituate School House Loan	\$2,000.00
Water Main Extension Notes of 1929 (North Wayland)	2,000.00
Water Main Extension Notes of 1930 (Gleason Road)	777.90
Water Main Extension Notes of 1931 (Cochituate Road and Main Street)	2,500.00

We recommend that the unexpended balances in the following accounts be transferred to "Excess and Deficiency" Account:

Valuation Lists	\$ 9.30
Town Hall Repairs and Equipment	113.83
Improvement at Mansion Inn Corner	4.05
Sidewalk, West Plain Street	1.45
Sidewalk, East Commonwealth Road	.15
Sidewalk, Concord Road	4.29
Street Signs	1.75
	<hr/>
	\$134.82

We wish to call to your attention that on January 1, 1932, the amount of uncollected taxes for the years 1926-27-28-29 was \$2,146.35 and recommend that they should be collected at once.

We recommend that the income from dog taxes be given one-half to the Library Fund and one-half to the School Educational Fund.

Based on the recommendations and figures of the Finance Committee the tax rate will approximate \$28 per thousand.

Respectfully submitted,

WILLIAM S. LOVELL, *Chairman*,
 GEORGE A. HILL,
 A. W. BRADSHAW,
 WM. J. SCOTLAND,
 ELMER F. MATHEWS, *Clerk*.

VOTES ENACTED AT THE ANNUAL TOWN MEETING, MARCH 4, 1931

Town Clerk's Office
Wayland, Massachusetts
March 4, 1931

John J. Erwin, Moderator:

Pursuant to the foregoing warrant the inhabitants of the Town of Wayland met this day and did the following business.

Article 1. To hear the reports of Town Officers, Agents and Committees, and act thereon.

		\$818.94

Voted unanimously that there be appropriated and assessed the sum of \$818.94 to meet unpaid bills of 1929—\$26.32 and 1930—\$792.62.

Article 6. To see if the Town will accept the following gift: \$100.00 received from Samuel Russell to establish the "Samuel Russell Fund" income from which to be used for the perpetual care of Lot Number 89 in the North Cemetery Extension.

Voted unanimously to accept the foregoing bequest.

Article 7. To see if the Town will accept the following gift: \$200.00 received from H. M. Cory to establish the "Florence A. Cory Fund" income from which to be used for the perpetual care of Lot Number 70, Section G, Lake View Cemetery.

Voted unanimously to accept the foregoing bequest.

Article 8. To see if the Town will accept the following gift: \$100.00 to establish the "Effie Scott Fund" income from which to be used for perpetual care of Lot Number 62, Section A, Lake View Cemetery.

Voted unanimously to accept the foregoing bequest.

Article 9. To see if the Town will accept the following bequest: \$200.00 received from Beatrice E. Taylor, Executrix of the will of David P. W. Loker, to establish the "David P. W. Loker Fund" income from which to be used for the

perpetual care of Lot Number 18, Section A, Lake View Cemetery.

Voted unanimously to accept the foregoing bequest.

Article 10. To see if the Town will accept the following gift: \$150.00 received from Jesse W. Jennison to establish the "Jesse W. Jennison Fund" income from which to be used for perpetual care of Lots Number 69 and 80, Lake View Cemetery.

Voted unanimously to accept the foregoing bequest.

Article 11. To see if the Town will accept the following gift: \$200.00 received from F. E. Swan and Herbert S. Swan to establish the "N. C. and T. H. Griffin Fund" income from which to be used for the perpetual care of Lots Number 11 and 22, Section E, Lake View Cemetery.

Voted unanimously to accept the foregoing bequest.

Article 12. To see if the Town will accept the following bequest: \$250.00 received from the Harvard Trust Company to establish the "Mary D. Fairbank Fund" income from which to be used for perpetual care of Lot Number 1, Section 3, Lake View Cemetery.

Voted unanimously to accept the foregoing bequest.

Article 13. To see if the Town will appropriate \$50.00 for general improvement in any of the Cemeteries, same to be taken from money in the Town Treasury received from the sale of Burial Lots in 1930 in accordance with Chapter 114, Section 15 of the General Laws or do or act.

Vote unanimously that the sum of \$50.00 be appropriated for general improvement in any of the Cemeteries, same to be taken from money in the Town Treasury received in 1930 from the sale of Burial Lots.

Article 14. To see if the Town will vote to transfer from the Cemetery Insurance Refund Reserve for Appropriation \$19.25 received in payment for tools and equipment destroyed by fire, same to be used in replacing tools and equipment or do or act.

Voted unanimously that the sum of \$19.25 be appropriated for replacing tools and equipment in the Cemetery Department, same to be transferred from Cemetery Insurance Refund account.

Article 15. To see if the Town will vote to transfer from the Tree Warden Insurance Refund Reserved for Appropriation to Tree Warden Department the sum of \$15.00 received in payment for tools and equipment destroyed by fire, same to be used in replacing tools and equipment or do or act.

Voted unanimously that the sum of \$15.00 be appropriated for replacing tools and equipment in the Tree Warden Department same to be transferred from Tree Warden Insurance Refund account.

Article 16. To see if the Town will appropriate for Water Department Maintenance the sum of \$8,194.86, the sum of \$2,241.61 to be taken from Water Department receipts reserved for appropriation in 1929 and the sum of \$5,953.25 to be taken from Water Department receipts reserved for appropriations in 1930 or do or act.

Voted unanimously that the sum of \$8,194.86 be appropriated for Water Department Maintenance, \$2,241.61 to be transferred from Water Department receipts reserved for appropriation in 1929 and \$5,953.25 to be transferred from Water Department receipts reserved for appropriation in 1930.

Article 17. To see if the Town will vote to accept Sections 120 and 120A of Chapter 94 of the General Laws as amended or any other portion of said Chapter 94 as amended, or do or act.

Voted that the Town accept Sections 120 and 120A of Chapter 94 of the General Laws as amended or any other portion of said Chapter 94 as amended.

Vote: Yes 86, No 27.

Article 18. To see if the Town will vote to raise and appropriate the sum of \$300.00 or some other amount and elect a director, the money to be expended by and the director to serve in cooperation with the Middlesex County Trustees for County Aid to Agriculture in the work of the Middlesex County Extension Service, under the provisions of Sections 40 to 45, Chapter 128, General Laws of Massachusetts.

Voted that Mr. John J. Erwin act as Director in cooperation with the work of the Middlesex County Extension Service.

Article 19. To see if the Town will vote to authorize or instruct the Board of Water Commissioners to employ the Collector of Taxes to collect all water rates due the Town, or do or act.

Voted that the Town authorize and instruct the Board of Water Commissioners to employ the Collector of Taxes to collect all water rates due the Town

Article 20. To see if the Town will appropriate and assess a sum of money not exceeding \$200.00 for the purpose of caring for dumps which the Board of Health may designate for public use or do or act.

Voted unanimously to appropriate and assess the sum of \$200.00 to be spent under the direction of the Board of Health, for the purpose of caring for dumps which said Board may designate for public use and that the Board of Health establish rules governing the same.

Article 21. To receive and consider the report of the special Committee appointed at the last town meeting, to investigate the needs of a new High School, to recommend a suitable site and to submit estimates on approximate cost; and take such action regard thereto as the Town may deem desirable, or do or act.

Voted unanimously to accept the report of the Committee to investigate the needs of a new High School, to recommend a suitable site and to submit estimates on approximate cost.

Article 22. To see if the Town will vote to erect an addition to the present High School building, or do or act.

Voted not to erect an addition to the present High School building.

Article 23. To see if the Town will vote to erect a new High School building in Cochrane, or do or act.

Voted to erect a new High School building in Cochrane.

Vote counted by Check List: Yes 149, No 128.

Article 24. To see if the Town will vote to erect a new High School building in Wayland Center, or do or act.

Voted to pass over the Article.

Article 25. To see if the Town will authorize the Board of Selectmen to purchase or take by eminent domain, land and buildings to be used as a site for a new High School building and to raise and appropriate the purchase price thereof, or do or act.

Voted unanimously to pass over the Article.

Article 26. To see if the Town will authorize and instruct the Board of Selectmen to petition the general court to borrow such sum as may be necessary or desirable outside the debt limit for the purchase of a site and the building of a new High School building or an addition to the present High School building and the equipping thereof, or do or act.

Voted to authorize and instruct the Board of Selectmen to petition the general court to borrow such sum not exceeding \$100,000 as may be necessary or desirable outside the debt limit for the erection of a new High School building and the equipment thereof.

Voted not to pass over Article 27.

Voted unanimously to take up Article 28.

Article 28. To see if the Town will appoint a Building Committee to have authority to construct a new High School building or make an addition to the present High School building in accordance with the vote of the Town, and to employ an architect and award contracts for the erection thereof, or do or act.

Voted unanimously that Cornelius J. Maguire, Arthur B. Bullard, William J. Scotland, William S. Lovell, Paul B. Davis, Frank Irving Cooper and James C. McKay be appointed a Building Committee to have authority to hire an architect and award contracts for the erection, equipment and completion of a new High School building on the Bradford Street Lot, cost not to exceed \$100,000.

Voted to take up Article 27.

Article 27. To see if the Town will authorize the Treasurer with the approval of the Board of Selectmen to borrow such sums by notes or otherwise for the purpose of purchasing a site and erecting a new High School building or making an addition to the present High School building and providing equipment therefor, or do or act.

Voted not to adjourn at this time.

The Motion under this Article failed to pass.

Vote: Yes 154, No 78.

Voted to adjourn until March 11, 1931, 7.45 P. M.

Meeting adjourned at 11.50 P. M.

On March 11, 1931 the meeting reconvened and did the following business.

Voted not to return to Article 23.

Vote: Yes 272, No 245.

Article 29. To see if the Town will vote to extend a six-inch water main with fire hydrants, gates and fittings, along the following roads: From the Junction of Woodland Road and Pine Ridge Road through Pine Ridge Road to Lake Path, through Lake Path to Priscilla Path, through Priscilla Path to Park Lane, through Park Lane to Maiden Lane, southerly on Maiden Lane approximately 150 feet; also through Algonquin Path from Park Lane approximately 150 feet; a total distance of approximately 3200 feet; and to grant, appropriate, borrow or otherwise provide a sum of \$4,500.00 to pay for the same or do or act.

Voted unanimously that the Town appropriate and assess \$4,500.00 to extend a six-inch water main with fire hydrants, gates and fittings along the following roads: From the Junction of Woodland Road and Pine Ridge Road to Lake Path, through Lake Path to Priscilla Path, through Priscilla Path to Park Lane, through Park Lane to Maiden Lane, southerly on Maiden Lane approximately 150 feet; also through Algonquin Path from Park Lane approximately 150 feet; a total distance of approximately 3200 feet.

Article 30. To see if the Town will vote to authorize the Water Commissioners to extend the water system on Main Street, from the end of the present system at or near Five Paths, so called, to Memorial Square, with not less than six-inch nor more than sixteen-inch mains, and raise and appropriate money therefor, or do or act.

Voted unanimously that a committee consisting of the Board of Selectmen, Chairman of the Finance Commission and Board of Water Commissioners, be and it hereby is authorized to extend a twelve-inch water main with the necessary fire hydrants, gates, fittings, etc., from the end of the present system at or near Five Paths along Main Street and Cochituate Road to Legion square and to let necessary contracts therefor at a cost of not exceeding \$35,000, and that the Town Treasurer be and he hereby is authorized to borrow said \$35,000 and issue Town Notes therefor payable serially over not to exceed fifteen years, or at such earlier dates as the Treasurer and Board of Selectmen shall determine.

Article 31. To see if the Town will vote to extend a six-inch water main with fire hydrants, gates and fittings along School Street from the residence of August Dath to the junction of Cochituate Road, a distance of about three tenths of a mile, to grant, appropriate, borrow, or otherwise provide a sum of money not exceeding \$2800 to pay for same, or take any action relative thereto.

Voted unanimously that the Town authorize the Water Commissioners to extend a six-inch water main with fire hydrants, gates and fittings along School Street from the residence of August Dath to the junction of Cochituate Road a distance of about three tenths of a mile and to appropriate and assess the sum of \$2800 to pay for same.

Article 32. To see if the Town will purchase from Daniel Brackett the water mains now laid in the roads at Nob-Hill, so called, near the center of Wayland, at a price equivalent of the price paid the Town therefor, to wit, \$406.38, including expense of laying said pipes, but excluding cost of digging and filling trenches, and appropriate money therefor, or do or act.

Voted that the Town purchase from Daniel Brackett the water mains now laid in the roads at Nob-Hill, so called, near the center of Wayland, at a price equivalent of the price paid the Town therefor, to wit, \$406.38, including expense of laying said pipes, but excluding cost of digging and filling trenches and appropriate money therefor.

Article 33. To see if the Town will vote to appropriate and assess the sum of \$200.00 to be spent by the Board of Water Commissioners for improving the recreational facilities at Baldwin's Pond, or do or act.

Voted unanimously that the Town appropriate and assess the sum of \$200.00 to be spent by the Board of Water Commissioners for improving recreational facilities at Baldwin's Pond.

Article 34. To see if the Town will vote to appropriate and assess a sum of money for the purpose of building an addition to the Wayland Pump Station, the same to be used for a storeroom and work shop, or do or act.

Voted that the Town appropriate and assess the sum of \$2000 for the purpose of building an addition to the Wayland Pump Station the same to be used for a storeroom and work-shop and authorize the Water Board and Selectmen to build the same.

Article 35. To see if the Town will authorize the Water Commissioners to install a meter system or do or act.

• Voted not to pass over the Article.

Vote: Yes 109, No 130.

Voted not to authorize the Water Commissioners to install a meter system.

Vote: Yes 92, No 202.

Article 36. To see if the Town will vote to appropriate and assess a sum of money for the purpose of purchasing water meters, or do or act.

Voted to pass over the Article.

Article 37. To see if the Town will vote to appropriate and assess a sum of money to be used to improve and make safe the junction of Old Connecticut Path and West Plain Street near the Framingham line, acquire the necessary land by purchase or otherwise, or do or act.

Voted that the Town appropriate and assess the sum of \$1000 to improve and make safe the junction of Old Connecticut Path and West Plain Street, the work to be done by the Highway Surveyor under the direction of the Board of Selectmen, and that said Board be and hereby are empowered on behalf of the Town to acquire any necessary land by purchase, gift or eminent domain or in any other legal manner.

Voted unanimously to take up Articles 47 and 48 in connection with Article 38.

Article 38. To see if the Town will appropriate and assess a sum of money for the relocation and reconstruction of Cochituate Road from the State Road in a southerly direction according to plans to be recommended by the County Engineers, or do or act.

Article 47. To see if the Town will vote to appropriate and assess a sum of money to be used to relocate, lay out, and reconstruct the Cochituate Road from 500 feet south of the intersection of Old Connecticut Path with said road, northerly toward Wayland Village (provided a like sum is forthcoming from the County and another like sum from the State) or do or act.

Article 48. To see if the Town will vote to appropriate and assess a sum of money to be used to improve and make safe the junction of the Cochituate Road and Old Connecticut Path,

commonly known as Five Paths and acquire all necessary land by purchase or otherwise, or do or act.

Voted that the Town appropriate and assess the sum of \$12,000 to be expended under the direction of the Selectmen for the purpose of relocating and reconstructing Cochituate Road from State Road in a southerly direction to a point 500 feet beyond Connecticut Path and for the purpose of improving and making safe the junction of Cochituate Road and Old Connecticut Path, said sum to be expended in co-operation with the Commonwealth of Massachusetts and the County of Middlesex in accordance with the provisions of the General Laws.

Voted to adjourn meeting until March 18, 1931, 7.45 P. M.
Meeting adjourned at 10.45 P. M.

On March 18, 1931, the meeting reconvened and did the following business.

Article 39. To see if the Town will appropriate and assess a sum of money for the relocation and reconstruction of Concord Road from the property of Mrs. Sadie Wedlock in a northerly direction according to plans recommended by the County Engineers, or do or act.

The motion failed to pass under this article.

Article 40. To see if the Town will appoint a Committee of five citizens to investigate the fire protection facilities of the Town, to determine the Town's needs for equipment for fire protection and to report before the next Town Meeting with any recommendations or suggestions this Committee deem it advisable to make, or do or act.

Voted unanimously that the Town of Wayland appoint the following men to act as a committee to investigate the fire protection facilities of the Town, to determine the Town's needs for fire protection and to submit their report at the next annual Town Meeting with their recommendations or suggestions therewith:—Harry Craig, Paul Davis, William S. Lovell, Ronald Campbell and William Read.

Article 41. To see if the Town will vote to purchase a truck or trucks for the Highway Department and to appropriate, grant, borrow or otherwise provide a sum of money to pay for same, or do or act.

Voted unanimously that there be appropriated and assessed the sum of \$1,000.00 to purchase a truck for the Highway

Department and that the Selectmen and Highway Surveyor be a committee to purchase the same.

Article 42. To see if the Town will authorize the Highway Surveyor with the approval of the Selectmen to sell, trade or otherwise dispose of the Four Wheel Drive, three ton truck, or do or act.

Voted that the Highway Surveyor be and he hereby is authorized with the approval of the Selectmen to sell, trade or otherwise dispose of the Four Wheel Drive, three ton truck.

Article 43. To see if the Town will vote to extend the electric street lights on Rice Road, from the residence of Mrs. Nellie Fiske to the last electric street light near Paul M. Hamlen's Pond, or do or act.

Voted to pass over the Article.

Article 44. To see if the Town will vote to install the necessary street lights on Old Connecticut Path between Mainstone Farm and Francis Shaw's private driveway, or do or act.

Voted unanimously to pass over the Article.

Article 45. To see if the Town will appropriate and assess the sum of not exceeding \$3000 for the purpose of building a cement or tar sidewalk on the southerly side of West Plain Street from Memorial Square to Lake Road, or do or act.

Voted that the Town appropriate and assess \$3000 for the purpose of building a cement or tar sidewalk on the southerly side of West Plain Street from Memorial Square to Lake Road.

Vote: Yes 229, No 109.

Article 46. To see if the Town will raise and appropriate a sum of money not exceeding \$1,000.00 to purchase a piece of land to be used for burial purposes, to enlarge the Lake View Cemetery, now supposed to be owned by the heirs and devisees of the late Edward Dammers. Said piece of land adjoins the North East boundary of Lake View Cemetery and is described substantially as follows:—starting from a point at the north easterly corner of present Lake View Cemetery and running approximately 341 feet in a southerly direction on East boundary of Cemetery, thence approximately 152 feet easterly on unaccepted way, thence at right angle to said way approximately 322.6 feet in northerly direction, thence approximately 238 feet in westerly direction to point of beginning, or do or act.

The Motion under this Article failed to pass.

Articles 47 and 48 taken up with Article 38.

Article 49. To see if the Town will vote to appropriate and assess a sum of money to be used to extend the sidewalk on the easterly side of Concord Road from the present sidewalk in front of the Library, northerly as far as Plain Road, or do or act.

Voted that the Town appropriate and assess the sum of \$3000.00 to be used to extend the sidewalk on the easterly side of Concord Road from the present sidewalk in front of the Library northerly as far as Plain Road said sum to be expended under the direction of the Selectmen and Highway Surveyor.

Article 50. To see if the Town will appropriate and assess a sum of money for the purpose of extending the sidewalk on the northerly side of Commonwealth Road, or do or act.

Voted that the sum of \$1000.00 be and hereby is appropriated and assessed for continuing the sidewalk along the northerly side of East Commonwealth Road from the end of the existing asphalt sidewalk to School Street. Work to be done under direction of the Highway Surveyor and with the approval of the Selectmen.

Voted not to return to Article 27.

Vote: Yes 220, No 196.

Article 51. To see what sum, if any, the Town will vote to transfer from available funds to meet any of the appropriations made under the foregoing articles.

Voted to pass over the Article.

Voted to dissolve the meeting at 9.50 P. M.

A true copy. Attest :

M. ALICE NEALE,
Clerk of the Town of Wayland.

STATE AUDIT

May 14, 1931

To the Board of Selectmen,
Mr. J. Fred Wheeler, *Chairman*,
Wayland, Massachusetts.

Gentlemen :

I submit herewith my report of an audit of the accounts of the Town of Wayland for the period from January 1, 1930 to March 31, 1931, made in accordance with the provisions of Chapter 44 of the General Laws. This report is in the form of a report made to me by Mr. Edward H. Fenton, Chief Accountant of this Division.

Very truly yours,
THEODORE N. WADDELL,
Director of Accounts.

Mr. Theodore N. Waddell,
Director of Accounts,
Department of Corporations and Taxation,
State House, Boston.

Sir :

As directed by you, I have made an audit of the books and accounts of the Town of Wayland for the period from January 1, 1930 to March 31, 1931, and report thereon as follows :

The books and accounts of the town accountant were examined and checked, the reported receipts being compared with the financial records of the several departments collecting money for the town and with the treasurer's books. The payments, as recorded on the accountant's ledger, were checked to the treasury warrants authorizing disbursements, and with the treasurer's cash book.

The accountant's ledger was analyzed, adjusting entries were made, a trial balance was taken off, proving the accounts

to be in balance, and a balance sheet, which is appended to this report, was prepared showing the financial condition of the town as of March 31, 1931.

The appropriations voted by the town were listed from the town clerk's records and checked to the accountant's ledger.

It was noted that at the 1931 annual town meeting an appropriation was made for the salaries of school committee members, which is not in compliance with Sections 52 and 61 of Chapter 71, General Laws.

The books and accounts of the town treasurer were examined and checked. The recorded receipts were analyzed and compared with the records in the several departments collecting money for the town and with the other sources from which money was paid into the town treasury, while the payments were compared with the treasury warrants and with the accountant's books. The cash book balance was reconciled with statements furnished by the Natick Trust Company as of March 31, 1931.

The payments of debt and interest were checked with the amounts falling due and with the cancelled securities on file.

The savings bank books and securities representing the investment of the various trust funds in the custody of the town treasurer were not examined, owing to the illness of the above official.

The books and accounts of the tax collector charged with the tax levies and assessments for the years 1926 to 1929, inclusive, were examined and checked in detail and his cash book balances were reconciled with the cash on hand and with a statement furnished by the Natick Trust Company, as of March 31, 1931.

Payments by the collector to the town treasurer should be made at least once a week in accordance with the provisions of Section 2, Chapter 60, General Laws, as amended.

The books and accounts of the tax collector accountable for the 1930 taxes and assessments were examined and checked. The payments to the treasurer were compared with the treasurer's cash book and the abatements were checked with the assessors' record of abatements granted. The collector's cash balance on March 31, 1931, was proved by an actual count of the cash in the office and by a reconciliation of the bank account.

The tax title deeds held by the town were examined and the necessary adjusting entries were made to bring the account-

ant's ledger into agreement with the detailed list of tax title deeds on hand.

The outstanding tax and assessment accounts were listed and proved with the accountant's ledger. A further verification of the outstanding accounts was secured by mailing notices to a number of persons whose names appeared on the books as owing money to the town, the replies received thereto indicating that the outstanding accounts, as listed, are correct.

The town clerk's records of town licenses, together with the records of sporting and of dog licenses, were examined, the payments to the town treasurer being compared with the treasurer's cash book and the payments to the State and county, respectively, being verified with the receipts on file.

The accounts of the water department were analyzed and checked. The collections were compared with the payments to the treasurer, the abatements were checked and the outstanding accounts were listed. The amount due from the water collector was reconciled with his cash on hand and with a statement furnished by the bank of deposit as of March 31, 1931.

The accounts of all other departments collecting money for the town or committing bills for collection were examined and reconciled with the treasurer's and the accountant's books.

It is recommended that a record of all bills sent out for aid or services rendered, or for materials sold, be promptly submitted by the several departments to the accountant, in order that they may be set up on his ledger as assets of the town.

In examining the pay-rolls and vouchers it was found that the highway and snow removal pay-rolls had not been approved by the highway superintendent.

The surety bond of the treasurer, tax collectors, and town clerk, for the faithful performance of their duties, were examined and found to be in proper form.

Appended to this report, in addition to the balance sheet, are tables showing reconciliations of the treasurer's and the tax collectors' cash, summaries of the tax, assessment and water accounts, together with tables showing the trust fund transactions.

During the progress of the audit, co-operation was received from the various town officials, for which, on behalf of my assistants and for myself, I wish to express appreciation.

Respectfully submitted,

EDWARD H. FENTON,
Chief Accountant.

SELECTMEN'S REPORT

All regular appointments have been made as required by law. They appear in the list of Town Officers and Committees.

At the request of the United States Commission, the Daughters of the American Revolution and the Chas. H. Alward Post No. 133 of the American Legion and its Auxiliary were appointed a Committee to arrange the local observance of the celebration of the Two Hundredth Anniversary of the birth of George Washington.

In accordance with the Provision of Chapter 44, General Laws, an audit by the Department of Corporations and Taxation was made of all town accounts. The report of the State Director of Accounts is printed in full in the Town Report.

The junction of Old Connecticut Path and West Plain Street has been improved and made safe. We accepted the gift of a strip of land at this corner from Messrs. George and Frank Arancio. A railing was erected and the telephone and telegraph poles removed from the travelled way.

A 1½ ton International truck with underbody hoist was purchased for \$1,000.00 after bids were received from dealers of standard made motor vehicles.

The sum of \$12000.00 was appropriated at the last Town Meeting for the relocation and reconstruction of part of Cochituate Road with the understanding that the State and County would contribute like amounts. In behalf of the Town, bids were advertised for by the State Department of Public Works and contract awarded to the W. & L. Engineering Company under Chapter 90, General Laws. This project was completed under the direction of the Engineers of the Department. We found it necessary to constantly protect the interests of the Town against the unbusinesslike methods of the contractor and subcontractors. Several conferences were held with the Department of Public Works protesting against the apparent discrimination shown in the employment of labor. The bond of the

Standard Surety Company for the sum of \$32,600.00 has not been released, thus protecting the Town from claims for non-payment of wages and materials.

In accordance with Chapter No. 8, Board of Health Regulations, the Town Counsel prosecuted Anthony M. Lux and Louis Dean for non-observance of local regulations.

The addition to the pumping station has been completed. The contract to erect this addition was awarded to the lowest bidder, Cornelius J. Maguire, for the sum of \$1880.00.

The sidewalks on West Plain Street, Commonwealth and Concord Roads were constructed under the direction of the Surveyor of Highways.

At the request of the Governor, Hon. Joseph B. Ely, and after careful consideration, an unemployment Committee was appointed to study and suggest methods to assist those out of work.

A 12 inch water-main was laid from Five Paths to Legion Square employing only Town labor. The work was completed within the amount appropriated.

Necessary repairs have been made in the Town House.

Realizing that many Cities and Towns are at present unable to borrow in anticipation of revenue, we urge prompt payment of taxes in order that the credit of the Town of Wayland may not be impaired. With the wages and income of many of our citizens reduced, with probably more unemployed than a year ago and realizing the responsibilities of the Town to those in need of assistance, we hope that careful consideration will be given to appropriations to be made at the next Town Meeting. We do not believe in reducing necessary appropriations; however, it should be remembered that reasonable expenditures will insure a moderate tax rate.

J. FRED WHEELER,
JOHN W. LEAVITT,
WILLARD C. HUNTING,
Selectmen of the Town of Wayland.

REPORT OF BOARD OF COMMISSIONERS OF TRUST FUNDS

January 21, 1932.

To the Inhabitants of the Town of Wayland:

The Board of Commissioners of Trust Funds respectfully report as follows:

During the past year the following additional trust funds have been added to those under our management:

REPORT OF THE WAYLAND PLANNING BOARD for 1931

Meeting regularly each month, the Planning Board has made it the main project for 1932 to bring to completion a large map of the town, on which it has been working for several years. There has previously been no detailed and correct modern map of the town in existence. The boundaries of the town, the aqueduct, state and county roads, and the railroad, of which accurate surveys were available, have been made the basis. Roads and other features of which surveys were not available have been plotted with approximate correctness. Further details can be worked into this map whenever surveys are made and funds permit. This Key map has been divided into squares or blocks so that these may be enlarged and become of value to the assessors in the future. Copies will be provided for the use of the various officers of the town.

Millbrook Road has been surveyed by the Board with particular reference to changes at the bridge proposed by the Highway Surveyor.

At the request of the Planning Board of Sudbury, we have met with them to consider the proposed rebuilding of the State Road through the two towns, which we understand is contemplated by the State in the near future, but no definite actions has yet resulted.

The Planning Board believes that the time has come when Wayland should prepare and adopt a zoning by-law, practically every town in this vicinity having now thus protected itself.

We also recommend that in considering the acceptance of new streets and similar improvements, the provisions of the Betterment Act be used in the future.

FRANK I. COOPER, *Chairman*,
JAMES BOLTON,
OTTO H. KOHLER,
CORNELIUS J. MAGUIRE,
GILBERT SMALL,
HOWARD S. RUSSELL, *Clerk*.

REPORT OF THE CHIEF OF POLICE

For the Year Ending December 31, 1931

Assault	2
Assault and battery	2
Breaking and entering	2
Breaking and entering and larceny	2

Non-support	1
Vagrants	3
Violation town regulations	1
Fugitive from justice	1
Delinquency	10

This list includes arrests made by the State Police Patrol.

HARRY W. CRAIG,
Chief of Police.

REPORT OF THE FIRE ENGINEERS

For the Year Ending December 31, 1931

There have been fewer fires during the past year than the year preceding. The Wayland and Cochituate Companies answering seventy-six alarms, twenty-two of which were building fires, as compared to one hundred and sixty-four in 1930.

In the spring of 1931 the engineers purchased a complete Forest Fire Equipment which has been a great help in keeping woods fires under control. Several times water has been pumped from a point 3000 feet distant.

During the past year about two miles of Fire Alarm wires have been relocated and replaced with insulated copper wire. This new installation can be used in any modern system.

The Board of Engineers again wish to emphasize the need of a modern Fire Alarm system to extend to and cover the Wayland end of the Town.

There is also an urgent need for a larger truck to carry the Forest Fire Equipment. The Reo truck now in use is a half ton truck and is loaded far above capacity. A suitable truck of one and one half ton capacity could be purchased and equipped for this work for about \$1500.

This department has again overdrawn its appropriation the past year due to extensive wire relocations and the installation of a new furnace in the Cochituate station.

The appropriations to protect life and property have not kept pace with those provided for other departments and in fact are below the average spent by other municipalities of the State.

T. H. HARRINGTON, *Clerk*,
HARRY W. CRAIG.

REPORT OF TREE WARDEN

To the Board of Selectmen,
Wayland, Mass.

Gentlemen:

I submit the following report of the year ending Dec. 31, 1931.

From the appropriation of \$1000.00 granted me, I have taken down several large trees that were badly decayed, and very dangerous to the public, and have cut the brush along Glezen Lane to Weston line, Rice Road, Connecticut Path, and on all the Main Highways.

I wish to thank the people of the Town for cutting brush beside their property, and the numerous other ways in which they have co-operated with me.

For the financial condition of the Tree Warden Department see report of the Town Accountant for the year 1931.

Respectfully submitted,

CHARLES L. FULLICK,

Tree Warden.

SEALER OF WEIGHTS AND MEASURES

Cochituate, Mass., January 17, 1932.

This is the report of work performed by the Sealer, for the year ending November 30, 1931.

	Sealed

Fees collected \$49.56.

Yours truly,

ALBERT B. MARCHAND,

Sealer of Weights and Measures.

REPORT OF GAME WARDEN

During the year of 1931 I have looked over sportman's licenses and patrolled 150 hours.

Some complaints of small children catching fish in the ponds have been received, as we can not stay at the ponds all of the time. I wish some of the kickers would look back a few years when they were in the same place as the little ones of today. There are two kinds of fish that are no longer protected, the Sunfish and Bluegill, and the more the boys catch these the better off the sportsman will be.

CHARLES M. MAGORTY,
Game Warden.

REPORT OF BOARD OF HEALTH

Cochituate, Mass., January 20, 1932.

The Board of Health submits the following report for the year of 1931.

Contagious Diseases

Scarlet Fever	29
Septic Scarlet Fever	1
Measles	3
Chicken Pox	1
Whooping Cough	4
Dog Bite	9
Typhoid Fever	2
Tuberculosis	1
Infantile Paralysis	1
Streptococcus Infection of Throat	1

Licenses Granted

Alcohol	2
---------	---

The Board has investigated many complaints during the year. All contagious diseases that were reported were taken care of, but nothing can be done unless the case has been reported by the physician in charge or by the head of the family. The Board wishes that everyone would realize the necessity of knowing the General Laws governing contagious cases.

The Board had such an epidemic of Scarlet Fever that we had to overdraw our appropriation.

This epidemic started September 13, 1931 and ran right through to the last of the year.

The list of permits issued by the Board are as follows:

Keeping Swine	7
Collecting Garbage	1
Hauling Rubbish	2
Cleaning Cesspools	1

There are some piggeries now in operation that haven't any permits.

ERNEST H. DAMON, *Clerk*,

WALDO L. LAWRENCE,

JOHN J. LINNEHAN,

Wayland Board of Health.

REPORT OF MILK INSPECTOR

In submitting my report of 1931 I find that there have been twenty-four licenses issued to sell milk in the Town of Wayland. Those dealers, to whom these licenses have been issued, have had their milk tested every month, the inspection proving satisfactory. The milk sold in the Schools is found to be satisfactory also.

JOHN J. LINNEHAN,

REPORT OF INSPECTOR OF ANIMALS

Number of Cows inspected	371
Number of Young Stock	67
Number of Pigs	1255
Number of Sheep	10
Number of Goats	10
Number of Dogs quarantined	8
Number of Cows quarantined	1
Number of Dogs killed of rabies	2

Respectfully submitted,

F. J. BIGWOOD,
Inspector of Animals.

REPORT OF WAYLAND DISTRICT NURSE

Madam President and Members of the Wayland District Nursing Association:

I hereby submit my eleventh annual report for the year ending December 31, 1931.

It is regrettable that the Organization found it necessary to discontinue the Dental Clinic because of lack of funds. We had hoped to continue throughout the school year, as it is one of the most necessary health projects connected with the schools.

Many of the tonsil and adenoid cases were unable to pay their hospital bills. These were taken care of by the District Nursing Association.

A great deal of charitable work was done by the Association. One child was sent to a health camp at the expense of the Association.

Nursing visits	670
New cases opened during the year	98
Prenatal visits	22
Deliveries attended	7
Advisory visits	82
Welfare visits	50
Friendly visits	25
Tuberculosis visits	3

In concluding, I wish to thank you and the other members of the Board.

Respectfully submitted,

MARY E. McNEIL,

District Nurse.

REPORT OF HIGHWAY DEPARTMENT

To the Citizens of the Town of Wayland :

Materials

This year there has been used on the macadamized roads of this Town over six thousand dollars' worth of tar and oil, mostly tar. Very little oil was used on the main thoroughfare, tar taking its place, although more costly it has better wearing qualities. Another year it is hoped that a heavy asphaltic cut back oil can be used along with coarse stone which will not only give a better wearing surface but more safe to drive on in slippery weather.

Sidewalks

Commonwealth Road

Filling was placed for the continuing of this walk as far as School Street, some eight hundred yards being used. The article did not call for a finished surface as it was felt that this filling should have a suitable time for settlement.

Plain Street

This sidewalk commenced at Texaco Filling Station and extended to Lake Road. It was constructed of concrete with rough surface. To avoid cutting some nice shade trees some of the abutters voluntarily gave the Town land where it was needed that this end might be accomplished. To them is given due thanks.

Concord Road

A walk was constructed from the library to Bow Road of rough concrete with granite curb. At the northerly end it was found necessary to build a retaining wall to protect some shade trees. I feel that this walk will be a great protection to the children who before had to travel in the road where fast driving was not prohibited.

Richardson Square

This corner under article 37 has been greatly improved. The owners of the Mansion Inn generously gave the town about twelve hundred feet of land which was surveyed and placed on the opposite side of the road where a fence has also been constructed along the steep bank, making passing a great deal safer and also affording a better view to the motorists.

Railings

About eight hundred feet of railing was constructed on the Island Road, also that along main roads was repainted. Under chapter 90 maintenance all railings hereafter are to be concrete posts and cable.

New Road Reconstruction

I feel the town should make an effort to construct a new piece of road each year if only a half mile in length. Traffic conditions are increasing rapidly also the maintenance of our thoroughfares.

Respectfully submitted,

ARTHUR HEARD DUDLEY,

Highway Surveyor.

REPORT OF THE BOARD OF PUBLIC WELFARE

The Board wishes to thank those who have contributed fuel and other necessities,* also those who made financial donations, all of which has helped reduce the expenditure of the department. The large expenditure is somewhat due to people moving here from other towns or cities because of low rents here or other attractions. This of course will be paid back to the town in time either by other towns, cities, or the state, whichever may be liable for their bill. The cash expenditure of this department will be found under the report of the town accountant.

The following is a summary of the number aided during the year :

Number aided here	Settlement elsewhere	57
Number aided here	Settlement here	59
Number aided elsewhere	Settlement here	16
Number aided under the	Mother's Aid Law	3
Number aided in	State Institutions	1
Number of children	aided	75
Number of adults	aided	59

Reimbursements to be received

Cities and towns	\$2,096.06
State of Mass.	1,255.94

Total	\$3,352.00
-------	------------

RONALD S. CAMPBELL,
MARTIN A. HOLMES,
THOMAS W. FROST,

Old Age Assistance

The law giving Old Age Assistance was put into operation July 1, 1931 and is proving to be an expensive one. It is as yet undecided as to whether the State will reimburse for the whole or part of the bill.

Number of applications received	21
Number of applications approved	17
Total amount of aid granted	\$2,079.00

RONALD S. CAMPBELL,

Agent.

REPORT OF PARK COMMISSIONERS

Appropriation for 1931	\$400.00
Expense for 1931	397.14
	<hr/>
Unexpended balance	\$2.86

Respectfully submitted,
FRANCIS R. GLADU,
JOHN B. WIGHT,
CAMILE PERODEAU.

MIDDLESEX COUNTY EXTENSION SERVICE

The following is a report of the work done by the Middlesex County Extension Service in the Town of Wayland for the year 1931.

The farmers of Wayland showed considerable interest this year in the work of the Extension Service. Sixty-eight farm visits were made upon request to assist largely the fruit growers, market gardeners and dairymen. In addition, seventeen visits were made with the animal inspector to obtain signatures for the petition for area testing for the eradication of Bovine Tuberculosis. The dairy farmers were assisted with other problems in replacements, factors in improving the quality of milk marketing, etc., pasture improvement and the growing of legumes. Poultrymen were largely interested in disease control and construction and ventilation of poultry houses. A demonstration of picking poultry by the semi-scald method was given at the Park and Pollard farm. A demonstration in pruning apple trees was also put on. Judges were furnished for the Cochituate Grange Fair.

Two series of meetings for the benefit of homemakers were carried on during the year, one at Cochituate and the other at Tower Hill. The leaders were Mrs. J. Bemis, Mrs. Edna Marston, Mrs. Joseph Decatur, Mrs. Mary Reid and Mrs. A. Costello. These meetings included discussions on "The Saving of Time, Money and Energy in the Home." It was reported that information was passed on to 207 homemakers who were unable to attend the meetings. In Cochituate there was also a group of mothers carrying on the Child Guidance work under the leadership of Mrs. Maxwell Adams and Mrs. Blanche Gilbert. These meetings have been planned to help parents to better understand their children and to develop a constructive program for children.

Sixty-five boys and girls were enrolled in 4-H club work largely in garden, handicraft, clothing, food and canning clubs.

A town 4-H club committee was formed: Frank C. Benedict, *Chairman*; Mrs. Joseph Decatur, Mrs. Frank Draper, Henry Hardy, *junior director*. Local leaders were Mrs. Joseph Decatur, Mrs. H. W. Taylor, Henry Hardy and Elmer Bigwood. William Hardy was awarded county championship for the handicraft club. Roy Hallenbrook was awarded a two-day trip to the Massachusetts State College for doing outstanding club work. Six girls from Wayland took part in the county-wide school dress contest. While the Dress Contest was staged Ruth Decatur played at the piano for the dress revue. Club members took part in the Natick rally and had an exhibit at the Parent-Teachers' Association meeting in the spring. Henry Hardy exhibited a champion male bird in the junior show at the Boston Poultry show.

Several townspeople availed themselves of the opportunity of attending county-wide meetings on poultry, fruit growing and dairying, as well as the Homemakers' Day at Lexington and the County Picnic at Wayside Inn.

JOSEPH H. DECATUR,
Agricultural Chairman.

SCHOOL COMMITTEE REPORT

In submitting our annual reports to the Town, we would again call your attention to the needs of the schools for better facilities as regards the housing of the school children.

Our accommodations have been strained to the utmost this year, and it has been a hard problem to find seats for all pupils.

The School Committee, after careful study of numbers and grades of the schools at this time, feel that the most efficient and economical way to handle the situation would be (First) for the Town to build a 6-room grade school in Wayland Center, a unit that can be added to as numbers require it.

(Second) Add two rooms to the Cochituate School, bringing that building up to its normal capacity of ten rooms; or, build a 2-room unit to take care of the Old Connecticut Path and Stone Bridge section. As you know, this latter section is a fast growing one, and it would relieve our transportation problem if we could take care of the first four grades in this locality, without transportation.

Now, if we can get a building program started, as suggested, the High School problem would be taken care of for quite a period of years, as the Wayland building would be well adapted for that purpose, if you can separate the High School from the grades. The present High School building is well constructed, has a fire-proof roof, is well placed in connection with the large playground, has good lunch facilities, showers, etc., and with a small outlay for rearrangement of one or two rooms, could be made suitable to take care of our needs for many years.

Now is the time to take action on this matter, before the situation becomes too acute, and now is the time to build, at the least possible cost.

The above recommendations are but a brief outline of what should be done, and we feel sure that a personal investigation of the situation will convince you of our needs.

LLEWELLYN MILLS, *Chairman,*
DOROTHY C. STONE, *Secretary,*
WARREN L. BISHOP,
School Committee.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Committee of Wayland:

My twenty-second annual report is herewith submitted. It is the thirty-fifth in the series of Reports from this Office.

The Cochituate building with a seating capacity of 280, enrolled this year 40 more children than could be accommodated normally. There is very little opportunity for recitation work outside of the regular class rooms as there is but one small room in the building other than the regular class rooms. This small room serves for dental work, for examinations of school physician and nurse, rest room for children who are ill, for filing and other purposes. Therefore, with the larger classes, the services of an assistant to teachers no longer seemed advisable. Hence a study of some other method of handling over-crowded rooms had to be made.

There were a number of vacant sittings in all the rooms in the elementary school at the Center. There were also small class rooms or office rooms that could be given over to the service of the children so long as the Principal of the School and the Superintendent should use the halls for their general work.

In any study of school situations, numbers of children and the location of their residences have to be considered. According to the usual findings in every school system, the most seriously crowded rooms in the Cochituate School were elementary grade rooms, the seventh and eighth grade rooms being not entirely filled. The geography of the situation proved to be complicated as any plan we could devise that would take children from the lower grade rooms would also take children from the upper grades as well, or cause the bus service to be extended to a section twice each morning and afternoon.

The recommendation which was finally made and adopted by you is that forty children from the Old Stonebridge Road District and along Connecticut Path, beginning at Richardson

Square, be transferred to the Center School, together with the assistant employed at Cochituate.

This has accomplished a thinning out of the over-crowded rooms at the Cochituate School, although there are four rooms having, even at this time of the year, an enrollment of three, five, and six more than the normal capacity of the rooms in this building. Those children transferred to the Center escape the long tedious hour and a half at noon, have access to a hot lunch, and are better housed both as to class room and home room. This change has not affected the High School situation as to rooms. High school pupils residing at the extreme limits of Wayland on Old Stonebridge Road have also been provided with transportation.

Unfortunately the cost of transportation has been increased, as this change has meant an additional mileage of an average route in town. In order to save expense we have changed the high school hours so as to provide a way to make use of present school busses and still not have children waiting at the school unduly.

It appears that this change has not been an unwise method of solving the problem.

Another change in school administration has been made through your approval after the teachers of the Cochituate School had given much study to the problem.

The problem of handling children who could not go home through the long noon hour has grown more and more serious the last five years.

The trial of an hour at noon instead of an hour and a half and the closing hour at three instead of three thirty seems to work well for the children. Such a long noon time for those confined in a considerable group without play room or gymnasium in winter weather is indeed not a good plan. The change seems to work well and in so far as we know places no hardship upon any one.

This school year has brought the children much disease. Two homes have been not only afflicted with illness, but with loss of precious children. We sympathize deeply with these families.

The reports of our graduates at Wellesley College, Framingham Normal School, other colleges and schools, as well as those in business, are very gratifying.

Wayland teachers have given of their time, thought, and money to assist those children upon whom the hand of the world depression has fallen heavily. I am sure that they wish to continue sharing with others in making life better for all who may need the helping hand in these days.

Principal Allen has covered the housing situation for the high school in his report. No one can think otherwise than that something must be done soon to remedy the crowded rooms, but all are willing to study again and to get on somehow a while longer that the building of proper quarters can be postponed until times are propitious for new construction in Wayland. We hope to do this not only cheerfully but in such a way as to prevent loss educationally to the children and without danger to them in any way.

We should view with some measure of anxiety the increase in traffic past the Cochituate School that we are having and the probable further increase that we shall have during the period of constructing the Boulevard from Framingham to Boston. We may also look with anxiety upon the increased rate that the machines pass the Center building over the recently rebuilt section of Cochituate Road. I note that police protection is furnished in a great many towns for schools during assembling and dismissal hours. If this be too costly a project for Wayland, the School Department and Police Department should unite in studying rules and regulations for parking, entering the grounds of these buildings, and the discharge and taking on of children by school busses and private cars. Some schools are protected by trained school boys, bearing proper insignia, approved by the Police Department. Mr. Morton performs his duties admirably at the Cochituate School in this respect as in all others. It is my opinion that some one else should take over this service and that whoever does the work should be in significant regalia so that automobilists may recognize sooner that a danger zone is at hand and also be prepared to recognize and observe the signals of the official. Police sanction of all regulations will emphasize their value.

For forty years Miss Sylvia E. Prescott has served the public schools of the Commonwealth, twenty of which have been devoted to the interests of the children of Cochituate. Miss Prescott left the service on account of health at the beginning of this school year.

Last year young women from Wellesley College directed

the play activities of the Cochrane School children. No one was available at Wellesley this year. Miss Ena Tillson has given exceptionally fine service for a half year in place of the college girls. The Town has been able to help one of her graduates from the high school in getting her normal practice training.

Respectfully submitted,

FRANK H. BENEDICT,

Superintendent of Schools.

REPORT OF THE HIGH SCHOOL PRINCIPAL

Supt. Frank H. Benedict,
Cochituate, Mass.

Dear Mr. Benedict :

I herewith submit to you my fourteenth annual report as Principal of the Wayland High School.

Maximum enrollment of the school to date, boys 60, girls 63, total 123.

Present enrollment, boys 58, girls 54, total 112.

<i>Present enrollment by classes</i>	<i>Boys</i>	<i>Girls</i>	<i>Total</i>
Freshman	23	20	43
Sophomore	14	12	26
Junior	8	10	18
Senior	13	12	25
Total	58	54	112

The organization of the school is very much the same as that of last year. For this year, I was able to make a program that contains the subjects that had been planned, and worked out most of the conflicts caused by failure of students to pass subjects last year. The chief difficulty that I found while working upon the program, was the lack of rooms available for class work. I discovered that there is need for two more rooms. Every year I am finding it harder and harder to clear the conflicts. This condition is caused largely by having too few rooms in which to hold classes.

The high school is larger this year than last year and of course the congestion is greater than that described in last year's report. This year about forty students and one teacher have been transferred from the Cochituate building to that in Wayland. The extra rooms required have come largely from the second and third floors of the Wayland building. This aids in crowding high school.

I can see no more possibilities for extra space. Something

will soon have to be done. The school is steadily growing in size and more space must be provided for the students.

The following tabulation gives the number of students attending Wayland High School for the fourteen years for which I have written reports to you:

<i>Year</i>	<i>No. Students</i>	<i>Year</i>	<i>No. Students</i>
1919	54	1926	98
1920	55	1927	84
1921	59	1928	96
1922	68	1929	101
1923	83	1930	107
1924	81	1931	115
1925	84	1932	123

These figures indicate to me that the student population of the high school will be 150 in three or four years and in another three or four years it will be 200. Something will have to be done soon to relieve the congestion in the Wayland Center Building.

The building will satisfy the needs of the high school or the grades for some years to come, but will no longer house both schools without severe congestion. If anyone doubts this, he needs only spend a day in the building while school is in session.

I wish to touch upon the athletic situation at Wayland. Ten years ago about 15 boys turned out for football and 12 to 15 for baseball. At present 25 turn out for football and 15 to 20 for baseball. The income is now about what it was when a much smaller number of students had to be provided for. As a result, the time is not far off when sports will either have to be given up or funds provided from other sources. The development that the boys obtain through their sports is of great value to them, and I hope that conditions develop to make it possible to continue. This situation is not peculiar to Wayland. There are school systems near here that found it necessary some years ago to obtain aid from school funds in order to have sports. Many of the items of expense in connection with athletic work can be legally paid out of school funds. If this could be arranged the other items could be covered, raised as at present. I wish that this be given consideration by the Committee.

Sincerely yours,

DAVID J. ALLEN.

Wayland, Mass., January 8, 1932.

REPORT OF SCHOOL PHYSICIAN

Mr. Frank H. Benedict,
Supt. of Wayland Schools,
Cochituate, Mass.

Dear Mr. Benedict :

I herewith have the honor of submitting my report as
Physician of Wayland Schools for the year of 1931 and 1932.

Number of Students examined

Grades	410
High School	122
Total	532

The following defects were noted :

In the grades,

Slightly anaemic	78
Poor posture	140
Carious or dirty teeth	178
Defective tonsils	143
Symptoms of adenoids	69
Enlarged glands	51
Organic heart	2

In the high school,

Anaemia	9
Posture	34
Teeth	26
Tonsils	24
Adenoids	3
Glands	2

There were a few cases of impetigo contagiosa discovered and the sufferers excluded. I feel that there is an occasional attempt on the part of parents to try to keep their children in the schools when suffering with this disease and by so doing make is harder to control.

Many of the tonsil cases reported show only slight defects and many of the posture cases will improve as the child grows older.

There have been many cases of scarlet fever but these have extended over such a long period that it is more sporadic than epidemic.

There has been no toxin-antitoxin clinic this year.

The dental clinic has improved the general condition of the teeth and I hope it may be continued.

Let me again extend to you, the school nurse, the teachers and students, my sincere thanks for the hearty co-operation in this work.

Respectfully submitted,
ERNEST E. SPARKS.

REPORT OF THE SCHOOL NURSE

Mr. Frank H. Benedict,
Supt. of Wayland Schools,
Cochituate, Mass.

As during the preceding years, I visited both buildings daily. Pupils were weighed and measured once in three months. Sight and hearing tests were given.

The prevalence of contagion and skin infection among the children in September has necessitated close supervision, and many of the cases were referred to the school physician who advised exclusion until the condition was corrected.

May Day, the national health day, was observed in the schools. Awards were given to the children for good health, standard weight and cleanliness.

In May notices were sent to the parents of children who were to enter school in September with the request that they register such children at the school buildings.

As heretofore, I assisted the school physician at the annual examination of pupils in September and also the school dentist twice a week up through November. After that time it was thought advisable to discontinue the dental clinic for an indefinite period because of lack of funds.

Home visits to school children	230
Children accompanied home because of illness	17
Children excluded because of infection	46
First aid	11

During the summer vacation a number of children needing tonsil and adenoid operations were cared for at the Framingham Hospital.

Some welfare work has been done among the school children.

In closing I wish to thank you, the teachers and all those who have in any way made this year successful.

Respectfully submitted,

MARY E. McNEIL.

REPORT OF THE SUPERVISOR OF ATTENDANCE

Mr. Frank H. Benedict,
Supt. of Wayland Schools,
Cochituate, Mass.

During the past year I have had twenty-two cases of absence reported to me.

Number having no legal excuse	22
Truants accompanied to school	7

For my report of the school census, I refer you to the figures on the following page, prepared for the annual state returns.

Respectfully submitted,

MARY E. McNEIL.

REPORT OF THE LIBRARY TRUSTEES

The annual report of the Librarian to the Trustees, covering the year's work of the Library and its Cochituate branch, is herewith submitted.

The figures in this report, showing that nearly thirty thousand books were taken from the library during the year, are sufficiently indicative of the value of this branch of the Town's administration, and make further comment unnecessary.

AMOS I. HADLEY, *Chairman*,
J. SIDNEY STONE,
RICHARD AMES,
JAMES R. MARTIN,
NELLIE RICE FISKE,
ALFRED W. CUTTING, *Secretary*.

REPORT OF THE WAYLAND WATER BOARD

To the inhabitants of the Town of Wayland :

The Board organized with Francis T. Erwin, *Chairman*, Alfred C. Damon, *Secretary and Collector*. A. A. Lamarine was reappointed Superintendent. Louis Pettigrew was reappointed Engineer.

Owing to the bearings on No. 2 Engine and pump heating, the Board found it advisable to engage the services of an expert on pumps and engines to investigate. It was found that No. 2 Engine was out of line with the pump, causing an outward strain on the bearings, also that the clutch was worn beyond repair. The Engine was lined up and a new clutch installed.

Considerable trouble was encountered in the building of the road from State Road to Connecticut Path. The 10-inch main and service pipes were broken in a number of places, also a number of service boxes were torn out.

The appropriation for the improvement of Baldwin's Pond was spent installing a drinking fountain, spreading sand and cutting brush along the shore.

The Board recommends that the Town accept that part of Baldwin's Pond now used for swimming purposes as a town park and turn it over to the Park Commissioners for supervision.

An appropriation of \$2,800 was made at the last annual Town Meeting for the extension of 6-inch water main with fire hydrants and gates along School Street from the residence of August Dath to the junction of Cochituate Road. Owing to the nature of the soil the Water Board was unable to finish the work with the money appropriated. As the people who needed the water were not taken care of, the Board voted to continue the line and tie in at Cochituate Road, the cost of which was taken from the maintenance appropriation.

The Board installed 6-inch pipe, hydrants and gate valves in Woodland Park in accordance with vote at the last annual Town Meeting.

FRANCIS K. ERWIN, *Chairman*,
ALFRED C. DAMON, *Clerk*,
WALTER S. BIGWOOD.

Report of Superintendent of Water Works

To the Board of Water Commissioners:

New Services installed	56
Old Services renewed	9
Service pipe installed (feet)	3,194

Main Extensions: School Street, 2,144 ft. 6-inch pipe, 2 hydrants, 2 hydrant gates, 3 main gates. Woodland Park, 3,200 ft. 6-inch pipe, 3 hydrants, 3 hydrant gates, 4 main gates, 506 ft. 4-inch pipe. Cochituate Road and North Main Street, 10,127 ft. 12-inch pipe, 9 hydrants, 9 hydrant gates, 12 main gates, 1 pressure valve. Stanton Street, 60 ft. 4-inch pipe.

Main replacements: Connecticut Path, 60 ft. 6-inch pipe. Cochituate Road, 163 ft. 10-inch pipe. Meters installed 3; hydrant replacement 1.

There were four main leaks during the year. One on Concord Road, three on Connecticut Path. Sixty feet of pipe was replaced on Connecticut Path and a 6-inch gate valve installed at that point. A gate valve was installed on 6-inch main at intersection of East Plain and Main Street. Hydrant at Bent's Corner was replaced with new one. All hydrants were tested and adjustments made when needed. All service boxes on the Cochituate part of the system were inspected and measures corrected, on account of raising of grades many boxes were found too low. During the construction of new road from State Road to Connecticut Path the 10-inch main supply line was broken three times. This made necessary the removal and relaying of 163 feet 10-inch pipe. Gate valves were installed on each side of culvert. During the work 1 6-inch valve and 6 valve boxes were broken. At completion of work 15 valve boxes were brought to grade. Three hydrants were moved back.

ALFRED A. LAMARINE,
Superintendent.

REPORT OF THE SPECIAL COMMITTEE FOR THE EXTENSION OF WATER MAIN FROM CONNECTICUT PATH TO MEMORIAL SQUARE

The Committee decided to use all hand labor in the digging and laying of the pipe on this job in order to help relieve the unemployment situation.

The employing of the help was under the supervision of the Unemployment Committee of the Town.

Mr. John Cipoletta was appointed Superintendent in charge of the work, with Mr. Andrew Benson and Mr. Walter Bigwood assisting.

Owing to the number of men employed, the Committee thought it advisable to obtain insurance covering them against accidents while at work.

The job consisted of the digging and laying of 10,127 feet of 12-inch cast iron pipe, with a 12-inch gate valve every 1,000 feet. Hydrants with a gate were placed every 1,000 feet. A pressure reducer was inserted in the line at Fiske's Corner in order to protect the pipe lines that have been in service in Cochituate for over fifty years.

The 12-inch main was tied in on the 8-inch and the two 6-inch mains at Memorial Square, thus obtaining a direct feed to all the main lines in Cochituate Village.

WILLARD C. HUNTING, *Chairman*,
ALFRED C. DAMON, *Clerk*,
JOHN W. LEAVITT,
J. FRED WHEELER,
WALTER S. BIGWOOD,
FRANCIS K. ERWIN,
WILLIAM S. LOVELL.

REPORT OF COMMITTEE FOR THE ADDITION TO PUMP STATION

The Committee felt that work being so slack at this time, the contract for the addition to the pump station should be given to a local contractor and that he should employ citizens as far as possible.

The notice for bids were posted at Wayland and Cochituate. Six contractors submitted bids.

The contract was awarded to Mr. Cornelius J. Maguire for the sum of \$1,880.

FRANCIS K. ERWIN.

REPORT OF CEMETERY COMMISSIONERS

1932

During 1931 thirteen hundred and seventy-five dollars (\$1375) was received to establish Perpetual Care Funds as follows:

\$1,000 from Charles W. Dean to establish the Charles W. Dean Fund.

\$50 bequeathed under the will of Helen M. Carter to establish the Helen M. Carter Fund.

\$100 from Charles W. Dean to establish the H. W. Dean Fund.

\$100 from Mrs. Kathryn I. Jones and Henry M. Kelley to establish the Kelley-Jones Fund.

\$125 bequeathed under the will of Herbert P. Cochrane to establish the Herbert P. Cochrane Fund.

Including the above donations there is now a total of \$17,500 invested, the income from which will be used for Perpetual Care of burial lots as designated by the donors of each Fund.

As the Town of Wayland appropriated, in 1931, one thousand dollars (\$1000) for the care and up-keep of the North and Center Cemeteries, and a like amount for care and up-keep of Lakeview Cemetery a large amount of necessary work was done during the last year. By the end of 1931 the Cemeteries were in good condition.

Therefore, in view of the distressing monetary situation in all towns and cities the State over, and in fact the whole United States, the Cemetery Commissioners, by a unanimous vote, voted to ask for an appropriation, for the year 1932, of eight hundred dollars (\$800) for the North and Center Cemeteries and eight hundred dollars (\$800) for the Lakeview Cemetery—a direct saving to the Town of Wayland of four hundred dollars (\$400) over last year's expenditure.

For the financial condition of the Cemetery Commission see report of the Town Accountant for 1931.

Respectfully submitted,

JAMES M. BENT, *Chairman*,
HOWARD W. PARMENTER,
WILLIAM READ, *Clerk*.

INVENTORY OF TOWN PROPERTY

Accounting Department

- 1 Steel Filing Cabinet.
- 1 Portable Adding Machine.
- 1 Stapling Machine.
- Ledger, Journal, Cash books, Classification book,
Trial Balance book.
- Supplies of ledger sheets, classification sheets,
schedules, pay rolls, warrants and blanks for
reporting remittances.
- Stationery and stamped envelopes.

Town Treasurer

- Cash Book.
- 16 Rubber Stamps.
- 1 "Bills Paid" Stamp.
- 1 Date Stamp.
- 1 Stamp Pad.
- 200 sheets Stationery.
- 50 1-cent Stamped Envelopes.
- 100 2-cent Stamped Envelopes.

Tax Collector

- 1 Burroughs Adding Machine.
- 2 Date Stamps.
- 2 Cash books.
- 6 Commitment books.
- Stationery, forms, and envelopes, \$6.00.

Assessors

All records of the Assessors' office from the year 1780-1931 inclusive, together with one filing cabinet, 8 tin boxes, stationery and forms amounting to about two dollars.

Town Clerk

- 1 Organ.
- 23 Chairs.
- 1 Safe.
- 3 Brooms.

- 1 Map.
- 2 Shovels, 1 Axe, 1 Saw.
- 6½ cords Wood.

Inventory of Police Department

- 1 Traffic light system, corner Main and Commonwealth Road, consisting of 4 lights, 1 meter box and 1 traffic control box.
- ½ doz. extra bulbs for same.
- 5 gals. traffic paint.
- 4 School Zone signs.
- 5 No Parking signs.
- 13 Bus Stop signs.
- 4 Traffic Lights Ahead signs.
- 1 Through Traffic Stop signs.
- 23 steel sign posts.
- 26 badges.
- 1 traffic beacon.
- 800 traffic rule books.
- 350 envelopes.
- 300 letter heads.
- 1 gas billy.
- 4 shells for same.
- 2 stop watches.
- 1 stepladder.

Inventory of Fire Department

- 1 LaFrance pumping engine.
- 2 Reo combination hose and chemical trucks.
- 2500 ft. double jacket 2½ fire hose.
- 500 ft. chemical hose.
- 20 ft. ½ chemical hose.
- 30 extinguishers.
- 1 hydrant pump.
- 1 2½ hydrant gate.
- 1 2½ hydrant siamese gate.
- 15 rubber coats.
- 6 rubber hats.
- 9 nozzles.
- 10 lanterns.
- 2 hose clamps.
- 12 ladder straps.
- 30 spanners.
- 16 spanner belts.

- 1 hose coupling machine.
- 2 5-gal. gas cans.
- 9 shovels.
- 1 grub hoe.
- 1 pr. rubber boots.
- 1 35-ft. extension ladder.
- 1 30-ft. extension ladder.
- 1 24-ft. extension ladder.
- 1 20 ft. extension ladder.
- 3 roof ladders.
- 4 pike poles.
- 3 axes.
- 6 hydrant wrenches.
- 6 tire chains.
- 2 auto jacks.
- 4 double hose couplings.
- 1 copper tunnel.
- 2 acid syphons.
- 7 5 gal. water cans.
- 1 barrel soda.
- 2 carboys acid (full).
- 1 extension light.
- 2 dry battery lanterns.
- 3 10½ ft. lengths suction hose.
- 1 suction hose cage.
- 1 rubber mallet.
- 1 suction hose wrench.
- 3 chemical hose wrenches.
- 2 screwdrivers.
- 2 stepladders.
- 1 hammer.
- 1 pliers.
- 1 hot air furnace (new).
- 1 stove.
- 2 monkey wrenches.
- 4 open end wrenches.
- 5 extra nozzle tips.
- 2 chemical boxes.
- 1 engine house building, Harrison Street and land.
- 2 tables.
- 12 chairs.
- 1 clock.
- 13 fire alarm boxes.
- 1 gravity battery system (38 cells).

- 1 milli ampmeter (current register).
- 1 tape register.
- 1 bell striking machine.
- 1 whistle blowing machine.
- 1 whistle (steam).
- 6 miles uncoated galvanized wire.
- 2 miles insulated copper wire.
- 1 life belt.
- 1 pr. climbing irons.
- 1 wire stretcher.
- 1 wire holder.
- 30 zincs.
- 50 coppers.
- 100 lbs. copper sulphate.
- 16 fire brooms.
- 200 ft. 1½ inch cotton hose.
- 1 ½ inch nozzle for 1½ hose.
- 1 Gupstill forest fire pump.
- 3000 ft. 1 inch cotton hose.
- 2 nozzles for 1 inch hose.
- 1 2½-1 coupling.
- 1 2½-1½ coupling.
- 1 1 inch y branch.
- 2 rubber blankets.

Inventory of Moth Department

- 1 power sprayer.
- 1 18 foot ladder.
- 15 gals. oil.
- 1 5 foot nipper.
- 1 5 foot saw.
- 1 4 foot saw.
- 2 hand saws.
- 1 life belt.
- 1 pr. climbing irons.
- 1 tool chest.
- 1 telephone pruner.
- 250 feet 1 inch hose.
- 150 feet suction hose.
- 50 lbs. arsenate of lead.
- 6 creosote brushes.
- 2 creosote poles.
- 2 5 foot nozzles.
- 1 lifting jack.

Inventory of Weights and Measures Department

- 1 hammer.
- 1 pr. pliers.
- 1 hand seal press.
